Grape Varieties	Analysis	
55% Alvarinho 45% Loureiro	<b>Alcohol</b>	13,50%
	<b>Total Acidity</b>	6,7 g/l
	<b>Ph</b>	3,45
	<b>Reducing Sugars</b>	3,4 g/l

### Vinification Notes

The combination of Alvarinho and Loureiro grapes allow us the creation of an appealing and refreshing wine bearing a delicate and complex aroma.

Within exceptional terroir and modern system of planting, the vineyards of Quinta da Pousada acquire melodiou maturation and achieve wine of distinctive quality.

Due to its complexity it harmonizes perfectly with fish dishes, grilled meats, asian food or simply a fresh salad.

Should be served at a temperature between 11 to 14°C.  
 It should be stored in a cool, dry place and protected from light.

### Awards

SILVER MEDAL - Decanter World Wine Awards 2019

GOLD MEDAL - Concurso Melhor Vinha CVRVV - 2016, 2007 and 2005
